

IN MEMORY OF FIDDLETOWN FLASH SASS #19380

Entered the golden gates January 28, 2023

Fiddletown was that man one so rarely finds. I would hate to be in a fight with him, but I would hope that if I am in trouble he is close by. If I should be lucky enough to share a campfire with him, I know a good laugh is not far away.

- Black Jack Trauen

I remember him as an absolute gentleman, always with a sense of humor. He also seemed to display a sense of humanity and caring which garnered my respect. If I remember correctly at one time he raised goats! Certainly one of my mentors and friends during my time there.

- Joe Darter

Affectionally known as Pa by his pard, Fiddletown Flash was a long time fixture at the monthly and annuals in the area. Favorite pastime besides shooting? Trying to sell ya something from his table of "cowboy goodies".

Long time member of the California Rangers, Murieta Posse and attended the first Arroyo Cantua back in 1999.

Rest in Peace, Pa - we'll meet up again someday.
